

The **Printit - Private Use** license grants an unlimited, non-exclusive, worldwide license to print and use a *3D model* provided by Printit Sweden AB for private use for as long as this license is in effect on the *licensed 3D model*.

When you exercise the rights granted by the license (defined below), you agree to be bound by the terms and conditions of this **Printit - Private Use** license. To the extent that this License may be construed as a contract, you receive the rights granted by the License in consideration of your acceptance of these terms and conditions, and the *designer(s)* grants you those rights in consideration of the benefits of making the *3D digital files* of the *licensed 3D model* available to you under these terms and conditions.

Section 1 - Definitions

- A *3D Model* is the result of 3D modeling, the process of developing a three-dimensional representation of animated or living objects and surfaces.
- The *licensed 3D model* means the *3D model* for which the *designer(s)* uses this license.
- a *3D digital file* means a digital representation of a *3D model*, in the form of a downloadable digital file in formats such as, STL, OBJ, STP or 3DS.
- A *3D print* means a physical printed version of a *3D model* from a *3D digital file*.
- the *designer(s)* means the copyright holder and author(s) of the *licensed 3D model*.
- The *licensed rights* means the rights granted to you under the terms and conditions of use set forth in this license, limited to the copyright applicable to your use of the *licensed 3D model* and which the *designer(s)* has the right to grant.
- The term “*share*” means to make available to the public by any means or process that requires authorization under the *licensed rights*, such as reproduction, public performance, distribution, broadcast, communication or importation, including in such a way that anyone may access it from a place and at a time individually chosen by them.
- The term “*you*” (licensee) refers to any individual or entity exercising the *rights granted by the license*. The terms “*your*” and “*yours*” also refer to the licensee.

Article 2 - Scope of this license

Subject to compliance with the terms and conditions of use of this license, the *designer(s)* authorize(s) you to exercise for the whole world, non-sublicensable, non-exclusive, the rights granted by the license all the time this license is applied on the site Printit in order to :

- reproduce *3D prints* of the *licensed 3D model*, in whole or in part, for private and personal use;
- make available to the public through communication media such as social networks or websites the images of your *3D prints* of the *licensed 3D model*.

Article 3 - Terms of use of this license

If you *share* images of your *3D prints*, you must :

- identify the *designer(s)* (Printit.nu / Printit Sweden AB) of the *licensed 3D model* by including text and/or links to our page or social media.

This license does not include permissions:

- **for selling, distributing, sharing, donating, exchanging, copying, modifying or adapting the *licensed 3D model*;**
- **for the sale, distribution, sharing, donation, exchange, copying, modification or adaptation of the *3D digital files of the licensed 3D model*.**

Article 4 - Limitations of Warranty and Disclaimers

Unless otherwise specified, this license does not include any warranty of any kind, including but not limited to any express, implied, statutory or other warranty with respect to this license.

Article 5 - Duration and termination

This license applies for as long as it is in effect on the *licensed 3D model* on the Printit website.

Failure to comply with the obligations of this license shall automatically result in the revocation of the rights granted by this license.
